

itSMF India

IT Service Management Forum

Pune Chapter

It's our pleasure to invite you to 150 minutes of learning, networking, sharing and fun with sessions dedicated to one of the key areas of Service Management - Asset Management.

AGENDA:

🔊 Introduction & Welcome

🔊 Session 1: Hardware Asset Management & Software Licensing

Ramesh Jain
(Head – Knowledge Services, Paras Training Universe)

🔊 Session 2: Optimizing Software Assets

Mandar Marulkar
(Vice President - IT and CISO, KPIT Technologies Ltd.)

🗣️ ITSM Clinic – Ask your 'ITSM Doctors' on possible remedies for your ITSM pains, originating out of Service Asset & Configuration Management.
